Central Muga Eri Research & Training Institute (CMER&TI)
(An ISO 9001-2015 certified institute)
Ministry of Textiles: Govt. of India Lahdoigarh-785700, Jorhat, Assam

A walk-in- interview will be held for appointment of a Junior Research Fellow under the DST funded project entitled "Development of microbial biocatalyst by heterologous expression of hpaC and soxABC gene cluster in biosurfactant producing bacterium for effective desulfurization of dibenzothiophene".

Qualification: 1st class M.Sc. / M. Tech in Agriculture / Life Sciences / Botany / Zoology / Biotechnology or allied subjects. Candidates having experience in Recombinant DNA Technology / Molecular Biology / Microbiology etc. along with NET/GATE will be preferred.

Stipend: As per DST guidelines plus admissible HRA.

Interested candidates may attend in a Walk-in-Interview to be held at the institute on 27th September, 2016, from 10.00 AM onwards. All the candidates are requested to produce original documents and to submit a complete bio-data at the time of interview. The engagement will be purely on temporary basis for the project period only. No TA/DA will be paid for attending the interview. Interested candidates may send their complete biodata in advance to the Principal Investigator, Dr. G. Subrahmanyam, Scientist-B through email (subbugangavarapu@gmail.com). For further details, please visit the institute's website (www.cmerti.res.in).
