

RESEARCH PAPERS IN INTERNATIONAL/NATIONAL JOURNALS (2010-11):

1. A. Tikader (2011) *Cricula trifenestrata* Helfer feed on different host plants – A new report. *Geobios*, 38(2-3):151-155.
2. A. Tikader, C.K. Kamble (2010) Distribution of mulberry in North-West India – A mini Review. *Asian Journal of Agricultural Science* (In Press).
3. A. Tikader, C.K. Kamble (2010) Performance of elite mulberry variety in humid tropical condition of Assam. *Geobios*, 37(4): 322-326.
4. A. Tikader, C.K. Kamble (2010) Seri-biodiversity status with reference to the host plants in India. *The Asian and Australasian Journal of Plant Science and Biotechnology*, 4 (1): 1-11.
5. A. Tikader, K. Vijayan (2010) Assessment of biodiversity and strategies for conservation of genetic resources in mulberry (*Morus* spp.)—A Review. *Bioremediation, Biodiversity and Bioavailability*, 4 (1): 15-27.
6. A. Tikader, L. Pachuau, A.K. Gogoi (2010) Performance of *Cricula trifenestrata* Helfer on different host plants and its variability. *International Journal of Wild Silk Moth and Silk*, 15: 155-167.
7. A. Tikader, R.K. Rajan, (2010) Indoor rearing of wild silkworm *Theophila reliogiosae* (Helfer). *International Journal of Wild Silk Moth and Silk* (In Press).
8. A.A. Rao, S.S. Chauhan, R. Radhakrishnan, A. Tikader, M.M. Borpuzari, C.K. Kamble (2011) Distribution, variation and conservation of mulberry (*Morus* spp.) genetic resources in the arid-zone of Rajasthan, India. *Bioremediation, Biodiversity and Bioavailability*, 5 (1):52 -62.
9. A.K. Sahu, R.K. Rajan (2010) Wild genetic resources of muga silkworm *Antheraea assamensis* Helfer and their conservation. *International Journal of Wild Silk Moth and Silks*, 15: 69.
10. B.B. Singha, H.C. Mahanta (2010) Embryo isolation technique for muga silkworm, *Antheraea assama* Ww (Lepidopter: Saturniidae). *International Journal of Wild Silkmoths and Silk*, 15: 117-121.
11. B.G. Unni, H.R. Singh, K. Neog, M. Bhattacharya, S.B. Wann (2011) Isolating silkworm genomic DNA without liquid nitrogen suitable for marker studies. *Research Journal of Biotechnology*, (In press). [\[IF 0.284\]](#).
12. B.N. Sarkar, M.C. Sarmah, R. Chakravorty (2010) Seasonal variation of grainage characters in seed production of eri silkworm, *Samia ricini* (Donovan). *Indian Journal of Sericulture*, 49(1): 88-90.
13. D. Mech, P.K. Handique, H. Barman (2010) Training Needs of Rural Women in Eri Culture in Assam Province of India. *Global Journal of Human Social Sciences*, 10 (Ver. 1.0).
14. H. Barman (2010) Apanteles Problem in Muga Silkworm Crop. *Munis Entomology and Zoology*, 5: 1189-1190.
15. H. Barman, R.K. Rajan (2011) Studies on effects of nutrient supplements fortified with phagostimulants formulation h1 on growth and development of indoor reared *Antheraea assamensis* Helfer (Lepidoptera: Saturniidae). *International Journal of Biology*, 3(1).
16. K. Chaoba Singh, N. Mohindro Singh, L.S. Singh, N.I. Singh (2010) The art of curious Eri Silk Lap Sheet-en route to quilting. *Sericologia* (In press)
17. K. Neog, H.R. Singh, B.G. Unni, A.K. Sahu (2010) Analysis of genetic diversity of muga silkworm (*Antheraea assamensis*, Helfer; Lepidoptera: Saturniidae) using RAPD-based molecular markers. *African Journal of Biotechnology*, 9(12): 1746-1752. [\[IF 0.573\]](#)

18. K. Vijayan, A. Tikader (2010) Application of tissue culture techniques for propagation and crop improvement in mulberry (*Morus* spp.). *Tree and Forestry Science and Biotechnology*, 5(1):1-13.
19. M.C. Sarmah, S.A.S. Rahman, A. Barah (2010) Traditional terminologies in muga and eri culture. *India Journal Traditional Knowledge*, 9(3): 448-452. [IF 0.232].
20. MC Sarmah, M Chutia, K Neog, R Das, G Rajkhowa, SN Gogoi (2011) Evaluation of promising castor genotype in term of agronomical and yield attributing traits, biochemical properties and rearing performance of eri silkworm, *Samia ricini* (Donovan). *Industrial Crops and Products*, 34: 1439– 1446 [IF 2.507].
21. N. Ibotombi Singh, L.S. Singh, K.C. Singh (2010) Characterization and Evaluation of Oak Tasar Silkworm Genetic Resources in India. *Sericologia* (In press).
22. N.I. Singh, Y. Debaraj, L. S. Singh, K. Chaoba Singh (2010) Bio-ecological Studies of an oak Tasar Silkmoth, *Antheraea frithi* Moore in North East India. *Uttar Pradesh Journal of Zoology* (In Press).
23. N. Ibotombi Singh, L. Somen Singh, K. Chaoba Singh (2010) Estimation of general and specific combining ability and heterosis in oak tasar silkworms. *Journal of Non-timber Forest Products*, 17(3): 283-290.
24. N. Ibotombi Singh, Y. Debaraj, K. Chaoba Singh, B. C. Prasad (2010) Bionomics of Indian oak tasar silkworm, *Antheraea roylei* Moore and its potential for breeding in India. *Academic Journal of Entomology*, 3(3): 75-80.
25. P. Deka Bhuyan, M. Chutia, M.G. Pathak, P. Boruah (2010) Effect of essential oils from *Lippia geminata* H.B. Ksyn and *Cymbopogon jwarancusa* (Jones) Schult on *in vitro* growth and sporulation of two rice pathogen causing brown spot and sheath blight disease. *Journal of the American Oil Chemists' Society*, 87:1333–1340 [IF 1.587].
26. P. Dutta, K. Neog, R. Das, K. Das, P.K. Handique, R. Chakravorty (2010) Evaluation of some botanicals, antibiotics, carbon source and carrier against the bacterial disease of muga silkworm, *Antheraea assamensis*. *Sericologia*, 50(1): 1-9.
27. P. Dutta, K. Neog, R. Das, K. Das, P.K. Handique, R. Chakravorty (2010) Evaluation of some botanicals, antibiotics, carbon source and carrier against of the bacterial diseases of muga silkworm, *Antheraea assamensis*. *Sericologia*, 50(1): 113-122.
28. P. Dutta, K. Neog, R. Das, K. Das, P.K. Handique, R. Chakravorty (2010) Evaluation of some botanicals, antibiotics, carbon source and carrier against the bacterial disease of muga silkworm, *Antheraea assamensis*. *Sericologia*, 50(1): 1-9
29. G. Rajkhowa, R. Kumar, R.K. Rajan (2010) Gynandromorphy in *Antheraea assamensis* Helfer (Saturniidae: Lepidoptera) from Lahdoigarh, Assam (India). *Munis Entomology and Zoology*, 5 suppl): 1191-1193.
30. R. Kumar, G. Rajkhowa, N.J. Dhar, R.K. Rajan (2011) A new record of *Xylotrupes gideon* (L) (Coleoptera: Scarabaeidae) on *Persea bombycina* Kost from India. *Munis Entomology and Zoology*, 6(1): 173-175.
31. R. Kumar, G. Rajkhowa, M. Sankar, R.K. Rajan (2011) A new host plant for the Tea Borer, *Euwallacea fornicatus* (Eichhoff) (Coleoptera: Scolytidae) from India. *Acta Entomologica Sinica*, 54(6): 734-738
32. R. Saikia, D.K. Gogoi, S. Mazumder, A. Yadav, R.K. Sarma, T.C. Bora, B.K. Gogoi (2011) *Brevibacillus laterosporus* strain BPM3, a potential biocontrol agent isolated from a natural hot water spring of Assam, India. *Microbiological Research*, 166: 216-225. [IF 1.958]

33. R. Das, K. Das, D.K. Jha (2010) Factors Influencing grey blight disease (*Pestalotiopsis disseminata*) of muga host plant som (*Persea bombycina*). *Journal of Mycology and Plant Pathology*, 40(3): 555-557.
34. R. Das, K. Das, D.K. Jha (2010). Factors Influencing grey blight disease (*Pestalotiopsis disseminata*) of muga host plant som (*Persea bombycina*). *Journal of Mycology and Plant Pathology*, 40(3): 555-557.
35. R. Das, M. Chutia, K. Das, D.K. Jha (2010) Factors affecting sporulation of *Pestalotiopsis disseminata* causing grey blight disease of *Persea bombycina* Kost., the primary food plant of muga silkworm. *Crop Protection*, 29:963-968 [IF 1.517].
36. S.G.E. Reddy, R.K. Rajan (2011) New report of coccinellid predators, (Coleoptera. Coccinellidae) feeding on aphid, *Schizoneuraphis himalayensis* (Ghosh & Raychaudhuri) (Hemiptera: Aphididae) on Muga food plant Som, *Persea bombycina* Kost in Assam, India. *Munis Entomology and Zoology*, 6 (1): 516-517.
37. S.G.E. Reddy, R.K. Rajan (2011) New report of *Xylotrupes gideon* (Linnaeus) (Coleoptera: Scarabaeidae) on Som, *Persea bombycina* Kost, a food plant of Muga silkworm, *Antheraea assamensis* (Helfer) (Lepidoptera: Saturniidae) in Assam, India. *Munis Entomology and Zoology*, 6 (1): 518-519.

Book Chapter/ Proceedings of the seminar/conference/symposium:

1. A. Tikader (2010) *Cricula trifenestrata* Helfer golden wild silk producing insect in India. In: Proceedings of the ASEAN Sericulture Conference 2010th held at Bangkok, Thailand during 22-27th August 2010, pp. 1-8.
2. A. Tikader, B.V. Naidu, C.K. Kamble (2010) Mulberry germplasm and its performance in semi-arid region of Andhra Pradesh. In: Proceedings of Technical Compendium of 3rd State Level Workshop on *Sericulture Management* during 15-16th April 2010, Bhubaneswar, Orissa organized by Director of Textile, Satyanagar, Bhubaneswar, Orissa, pp. 116-120.
3. A. Tikader, M. Pamehgam, C.K. Kamble (2010) Selection of suitable mulberry variety in humid tropical condition of Assam. In: the Proceedings in the 55th Annual Technical Session, Assam Science Society, February 15, 2010, pp. 1-7.
4. A. Tikader, R.K. Rajan (2010) Mulberry breeding in India – Present Status and Future Strategies. In: Proceedings of International Workshop on *Sericulture in the context of local and regional development* held at Experimental Station of Pastures and Forages, Indio Hatuey, CUBA during November 10-13, 2010, pp.1-10.
5. A.K. Sahu (2011) Strategies for conservation of sericigenous insects of North-Eastern India. In: the Proceedings of the National Seminar on *Seri-biodiversity of North-East India and its Conservation and Prospects* (Ed. R. Nath) held at Dhing College, 28 -29th January 2011, pp. 17-21.
6. K. Das, M.C. Sarmah, B.N.Sarkar (2011) *Vanya* silkmoth and host plant germplasm resources and their conservation. Souvenir Abstract, In: National conference on *Sericulture Innovations: Before and Beyond* held at CSR&TI, Mysore during 28-29th January, 2011, pp. 55-60.
7. K. Das, M.C. Sarmah (2011) Innovation and dissemination of technologies in muga and eri sericulture- role of CMER&TI. In: *Ideas to Action-Let us Grow with Innovation* (Eds. MK Baruah et al.), Assam Academic Centre, Jorhat, pp. 36-46.

8. S. Chattopadhyay, A.K. Gogoi, A. Tikader, C.J. Prabhakar, R.K. Rajan (2010) Assessment of soalu (*Litsea monopetala*) morphotypes for resistance to brown leaf spot (*Phyllostiata perseae*) at field environment. In: Proceedings in the 55th Annual Technical Session, Assam Science Society, Assam, India, pp. 1–10.
9. R.K. Rajan, G. Rajkhowa, R. Kumar (2010) Grainage technology for quality seed production of muga silkworm, *Antheraea assamensis* Helfer. Central Muga Eri Research and Training Institute, Lahdoigarh, Jorhat. pp. 1-10.
10. D. Mech (2011) *Muga Khetir Unnot Podhotee* (improved technologies of muga culture). CMER&TI, Lahdoigarh.
11. D. Mech (2011) *Nirugee Muga Sanchar Proyujiotiota aru lar Utpadon Pronalee*. In: Souvenir, 2nd Annual Conference of All Assam Sericultural Farmers Association held at Golaghat, Assam on 19th & 20th February 2011, pp.1-5.

Paper/abstract published in workshop/seminars etc.:

1. A. Tikader (2011) Biodiversity and conservation of muga host plants. Abstract, In: the National Seminar on *Plant Resource Management and Conservation Strategies in N.E. Region* held at Cotton College, Guwahati, during February 18–19th 2011, pp.1.
2. A. Tikader, A. (2010) *Cricula trifenestrata* Helfer golden wild silk producing insect in India. In: Proceedings of the ASEAN Sericulture Conference 2010 held on 22-27th August 2010, Bangkok, Thailand, pp. 1-8.
3. A. Tikader, A.K. Gogoi, L. Pachuau (2011) Performance of wild silk moth *Cricula trifenestrata* Helfer on different host plants and its utilization. Abstract In: the National Conference on *Sericulture Innovations: Before and Beyond* held at CSRTI, Mysore during 28-29th January, 2011, pp. 168.
4. A. Tikader, R.K. Rajan (2010) Indoor rearing of wild silkworm (*Theophila religiosae* Helf.). Abstracts, In: 6th International Conference on *Wild Silkmooths* held at Tokyo University of Agriculture, Setagaya-Ku, Tokyo, Japan during September 21-23rd 2010, pp.47.
5. A. Tikader, R.K. Rajan (2010) Mulberry breeding in India – Present Status and Future Strategies. In: Proceedings of International Workshop on Sericulture in the context of local and regional development held in November 10-13, 2010 at Experimental Station of Pastures and Forages “Indio Hatuey” CUBA, pp. 1-10.
6. A. Tikader, R.K. Rajan (2010) Seri-biodiversity with reference to host plant and recent advances in research. Abstract, In: Proceedings of the Workshop on *Recent Advances in Sericulture Research* organized by Central Silk Board, Bangalore and Centre for DNA Finger printing and Diagonistic, Hyderabad held in Bangaluru on 18th -19th May, 2010. pp. 35.
7. A.K. Das, U.C. Goswami, K. Neog (2010) A new species of *Apanteles* (Hymenoptera: Braconidae) parasite of Muga Silkworm (*Antheraea assamensis*, Helfer) (Lepidoptera: Saturniidae) in Assam, India. Abstracts, In: the National Conference on *Evaluation of Biodiversity of Eastern Himalayan and Joining Plains* held at University of North Bengal, Siliguri, West Bengal during 1-4th December, 2010, pp. 9.

8. A.K. Gogoi (2011) Diversity of Oak flora, its conservation and utilization for socio-economical significance in Sub-Himalayan belt. Abstract, In: the National Seminar on *Plant Resource Management and Conservation Strategies in N.E. Region* held at Cotton College, Guwahati, during February 18–19th 2011, pp.12.
9. A.K. Sahu, R.K. Rajan, (2010) Wild genetic resources of muga silkworm *Antheraea assamensis* Helfer and their conservation. Abstracts, In: 6th International Conference on *Wild Silkmooths* held at Tokyo University of Agriculture, Setagaya-Ku, Tokyo, Japan during September 21-23rd 2010, pp.69.
10. B.B. Singha, R.K. Rajan (2010) Development of *Samia ricini* (Donovan) breed(s) for higher shell weight. In: Proceeding of Workshop on *Recent Advances in Sericulture Research*, Bengaluru, India organized by Central Silk Board and Centre for DNA Fingerprinting & Diagnosis held at Bengaluru during 18-19th May 2010, pp. 22-23.
11. B.B. Singha, R.K. Rajan (2010) New approaches in breeding of Eri Silkworm, *Samia ricini* Donovan for higher silk yield. In: proceedings of the interactive session on *Silkworm breeding in India: Status and Strategies*, held at Coonoor, 2-3rd December, 2010, pp. 79-85.
12. B.N. Sarkar, M.C. Sarmah, K.C. Singh, B.C. Chutia, R.K. Rajan (2010) Conservation of eri silkworm germplasm and development of hybrid. Abstracts, In: 6th International Conference on *Wild Silkmooths* held at Tokyo University of Agriculture, Setagaya-Ku, Tokyo, Japan during September 21-23rd 2010, pp.59
13. G. Rajkhowa, R. Kumar, M Sankar, R.K. Rajan (2010) Studies on the double step preservation method for long term low temperature preservation of seed cocoons of muga silkworm *Antheraea assamensis* Helfer (Lepidoptera: Saturniidae). Abstract, In: the National Conference on *Sericulture Innovations: Before and Beyond* held at CSRTI, Mysore during 28-29th January, 2011, pp.180.
14. G.C. Das, B.B. Patnaik, A.K. Saha, A. Tikader, R.K. Rajan, D. Nath (2011) Improvement of productive bivoltine 'CSR2' through introgression of thermostable factors from indigenous multivoltine breeds of silkworm, *Bombyx mori* L. Abstract, In: the National Conference on *Advances in Environmental Research and Interdisciplinary Approach* held at Annamalai University, Tamil Nadu during 11-12th March, 2011, pp. 346.
15. H. Barman, R.K. Rajan (2010) Studies on effects of nutrient supplements fortified with phagostimulants formulation H1 on growth and development of indoor reared *Antheraea assamensis* helper (Lepidoptera: Saturniidae). Abstracts, In: 6th International Conference on *Wild Silkmooths* held at Tokyo University of Agriculture, Setagaya-Ku, Tokyo, Japan during September 21-23rd 2010, pp. 46.
16. K. Das, R. Das, M. Chutia, R. K. Rajan (2010) Pathological studies of wild silkworm, *Antheraea assamensis* Helfer (Lepidoptera: Saturniidae). Abstracts, In: 6th International Conference on *Wild Silkmooths* held at Tokyo University of Agriculture, Setagaya-Ku, Tokyo, Japan during September 21-23rd 2010, pp. 84.

17. K. Das, D. Goswami, R.K. Rajan (2010) Reproductive behaviour of wild muga silkworm, *Antheraea assamensis* Helfer in their natural habitate. Abstracts, In: 6th International Conference on *Wild Silkmooths* held at Tokyo University of Agriculture, Setagaya-Ku, Tokyo, Japan during September 21-23rd 2010, pp.83.
18. K. Das, R. Das (2010) Environmental stresses on reproductive physiology of muga wilkworm Lepidoptera: Saturniidae. Abstract, In: the National Seminar on *Plant Resource Management and Conservation Strategies in N.E. Region* held at Cotton College, Guwahati, during February 19–20th 2011, pp.60.
19. K. Das, R. Das (2011) Effect of fungal and bacterial diseases in different instar muga silkworm, *Antheraea assamensis* Helfer (Lapidoptera: Saturniidae) in different crop seasons. Abstract, In: the National Conference on *Sericulture Innovations: Before and Beyond* held at CSRTI, Mysore during 28-29th January, 2011, pp.165.
20. M. Chutia, G.U. Ahmed (2010) Diversity of antimicrobials producing *penicillium* spp. against clinical pathogens from virgin forest floor of Assam, India. Abstract, In: the national seminar on *Medicinal Plant and Microbe diversity and their Pharmaceuticals* held at Tezpur University, Assam (India) during 19-21st December 2010, pp. 47.
21. M. Ramesh Babu, T. Ravivarma (2010) Evaluation and identification of certain genotypes of eri silkworm, *Samia ricini* Donovan under tropical conditions of Andhra Pradesh. Abstract, In: the National Conference on *Sericulture innovations before and beyond* held at CSRTI, Mysore during 28th – 29th January, 2011, pp.172
22. M. Sahu, A.K. Sahu (2010) Morphology of immature stages of new hyper-parasite Neotoxeumorpha exoristae (Pteromalidae: Hymenoptera) of uzi fly, Exorista sorbillans Wiedmann (Diptera: Tachinidae) – A larval parasite of muga silkworm *Antheraea assamensis* Helfer in Assam, North-East India. Abstracts, In: 6th International Conference on *Wild Silkmooths* held at Tokyo University of Agriculture, Setagaya-Ku, Tokyo, Japan during September 21-23rd 2010, pp.34.
23. M.C. Sarmah, B.N. Sarkar, R.K. Rajan (2010) Review on advances in research and technology development in eri culture. Abstract In: the Indo Japanese Workshop on *Recent Advances in Sericulture Research* held at Bengaluru, India, organized by CSB and CDFD, Hyderabad during May 18-19, 2010, pp. 49.
24. M.C. Sarmah, K. Neog, J.C.D. Phukan (2011) Determination of suitable combination of NPK fertilizer for application in Som plantation based on soil test value. Abstract, In: the National Conference on *Sericulture Innovations: Before and Beyond* held at CSRTI, Mysore during 28-29 January, 2011, pp. 157.
25. M.C. Sarmah, R. K. Rajan (2010) Traditional methods of rearing and itk in muga and eri culture. Abstracts, In: 6th International Conference on *Wild Silkmooths* held at Tokyo University of Agriculture, Setagaya-Ku, Tokyo, Japan during September 21-23rd 2010, pp.48.

26. N. Biswas, R.K. Saha, N. Chaudhuri, A. Tikader (2011) Impact of food plant on rearing performance of muga silkworm *Antheraea assama* Ww. in terai region of West Bengal, India. Abstract, In: the National Conference on *Sericulture Innovations: Before and Beyond* to be held at CSR&TI, Mysore on 28-29th January 2011, pp. 166.
27. N.I. Singh, R.K. Rajan (2010) Current Strategies on breeding of muga silkworm, *Antheraea assamensis* Helfer. Theme paper on Interactive Session on Silkworm Breeding held at Coonoor on 2-3rd December, 2010. pp 73-78.
28. P. Dutta, I. Gogoi, M. Chutia, S.G.E. Reddy (2011) Chemosensory organs guide muga silkworm larvae, *Antheraea assamensis* Helfer in host plant selection. Abstract, In: the National seminar on *Seri-Biodiversity of North East India and its Conservation and Prospects* held at Dhing College, Nagaon, Assam during 28-29th January, 2011. pp.55.
29. R. Das, K. Das (2011) Reaction of different morph types of muga food plant som towards major foliar diseases. Abstract, In: the National Conference on *Sericulture Innovations: Before and Beyond* held at CSRTI, Mysore during 28-29th January, 2011, pp.162.
30. R. Das, K. Das, D.K. Jha (2011) Exploiting of biological agents against *Pestalotiopsis disseminata* causing grey blight disease of som. Abstract, In: the National Seminar on *Plant Resource Management and Conservation Strategies in N.E. Region* held at Cotton College, Guwahati, during February 19–20th 2011, pp.100.
31. R. Das, K. Das, M. Chutia, R.K. Rajan (2010) Improvement of muga host plant *Parsea bombycina* through biological management of grey blight disease. Abstracts, In: 6th International Conference on *Wild Silkmooths* held at Tokyo University of Agriculture, Setagaya-Ku, Tokyo, Japan during September 21-23rd 2010, pp.55.
32. R.K. Rajan, K. Das, U. Hazarika (2010) Conservation of wild muga silkworms to improve productivity. Abstracts, In: 6th International Conference on *Wild Silkmooths* held at Tokyo University of Agriculture, Setagaya-Ku, Tokyo, Japan during September 21-23rd 2010. pp.54
33. R.K. Rajan, K. Neog (2010) Genetic diversity of wild silkworms *Antheraea assamensis* Helfer and *Samia ricini*, Donovan: their morpho-molecular characterization. Abstracts, In: 6th International Conference on *Wild Silkmooths* held at Tokyo University of Agriculture, Setagaya-Ku, Tokyo, Japan during September 21-23rd 2010, pp.61.
34. R.K. Saha, N. Biswas, N. Chaudhuri, A. Tikader (2011) Seasonal influence on grainage performance of muga silkworm, *Antheraea assama* in Terai region of West Bengal, India. Abstract, In: the National Conference on *Sericulture Innovations: Before and Beyond* held at CSRTI, Mysore during 28-29th January 2011, pp.186.
35. S. Chattopadhyaya, C.D. Sangama, A. Tikader (2011) Evaluation of som morphotypes for resistance to leaf spot caused by *Phyllostica perseae* in field environment. Abstract, In: the National Conference on *Sericulture Innovations: Before and Beyond* to be held at CSR&TI, Mysore on 28-29th January 2011, pp. 164.

36. S.G.E. Reddy, C.Z. Renthlei, P. Dutta, K. Neog (2011) Effect of Juvenile hormone (JH-III) and 20-hydroxyecdysone (20-HE) on rearing performance of Muga silkworm, *Antheraea assamensis* Helfer (Lepidoptera: Saturniidae). Abstract In: the National Conference on *Sericulture Innovations: Before and Beyond* held at CSRTI, Mysore during 28-29 January 2011. pp.176.
37. D. Mech, P.K. Handique, N.J. Dhar (2011) Intervention of improved technologies in muga and eri culture through cluster approach. Abstract In: the National Conference on *Sericulture Innovations: Before and Beyond* held at CSRTI, Mysore during 28-29 January 2011. pp. 180.
38. S.G.E. Reddy (2011) Present status of Uzi fly, *Exorista bombycis* (Louis) (Diptera: Tachinidae) incidence in Muga silkworm, *Antheraea assamensis* (Helfer) (Lepidoptera: Saturniidae) in Upper Assam. Abstract In: the National seminar on *Seri-Biodiversity of North East India and its Conservation and Prospects* held at Dhing College, Nagaon, Assam during 28-29th January 2011, pp. 69.
39. S.G.E. Reddy, P. Dutta (2011) Mass production of pupal parasitoid, *Nesolynx thymus* (Hymenoptera:Eulophidae) on pupae of housefly, *Musca domestica* (Diptera: Muscidae) for the management of Uzi fly, *Exorista bombycis* (Louis) (Diptera: Tachinidae) in Muga Culture. Abstract, In: the National seminar on *Seri-Biodiversity of North East India and its Conservation and Prospects* held at Dhing College, Nagaon, Assam during 28-29th January, 2011, pp.68.
40. U. Hazarika, B.N. Sarkar, K. Das, R.K. Rajan (2010) Reproductive behaviour of *Samia ricini* (Donovan) in relation to different food plants. Abstracts, In: 6th International Conference on *Wild Silkmoths* held at Tokyo University of Agriculture, Setagaya-Ku, Tokyo, Japan during September 21-23rd 2010, pp.60.

Leaflets:

1. Organic based Farming system for muga host plant-Som.
2. Raising Castor for eri silkworm rearing.
3. Platform rearing technique.

Reports

1. Report on Vanya Reshom Krishi Mela of CMER&TI. Indian Silk (2010) Vol. 1, No.2, 31.

Institute publications/ bulletins /leaflets etc.

1. A Hand book of Ericulture (Feb'10)
2. A.K Sahu (2011) Muga Silpor Bikakhot Boigganic Paddhati Samuh – Package of Practices for muga culture. RMRS, Boko (February 2011, Published by A. Tikader).
3. Muga Polur Anistakari Kuji Makhir Joibik Niantran Paddhati- Biological Control of Uzi fly, a pest of muga silkworm (2010).
4. Artificial diet rearing of muga silkworm (2010; training manual)
5. Annual Report 2008-10.
6. CMERTI SERICULTURE NEWS Vol. VII (January–July 2010) & Vol. VII (July December 2010)

Pamphlets/ Leaflets (Assamese)

- » Muga Polu Palanor Unnat Paddhati.
- » Eri Plu Palanor Unnat Paddhati
- » Eri Khadhya Bikhor Unnat Krishi Paddhati .
- » Som Gachar Baigyanik Krishi Paddhati aru Muga Silpat yar Prabhav
- » Pronaliboddha Somanir Majot Antohsoshyakaran
- » Nirogi Muga Biz Utpadanar Unnat Paddhati.
- » Muga Polur Bhekur Rog aru yar Protikar.
- » Muga aru Eri Suta Kotar Unnat Paddhati.
- » BANI Muga Suta Kota Jontra.
- » Muga Kholo Sukua Jontra.

Handouts (Training manual)

- » Unnat Pranalire Mugar Hans Utpadan (Assamese)
- » A Diagnostic Manual for Diseases and Pests of muga silkworms and their host plants
- » Artificial Diet Rearing of muga silkworm.

Books

- » Annotated Compendium on Muga Culture.
- » A Decade of Research in Muga, Eri and Mulberry
- » Descriptor for characterization of muga and eri host plants and silkworm germplasm.
- » Kendriya Muga Eri Gobesana aru Prashikshan Pratisthanat Jowa Dashakot kara Gobesana Sarangsh (Assamese).
- » Package of practices of Muga, Eri and Mulberry sericulture for North eastern region of India.
- » A Handbook of Eri Culture
- » Non-Mulberry silkworm and host plant germplasm: strategies for maintenance.
- » Muga aru Eri khetir baigyanik paddhati (Assamese)
- » Use and Maintenance of equipments, appliances and handling of chemicals in muga & eri cultures (Both in English & Hindi).
